Westbrook Estate, Edmonton, AB

This is a RARE opportunity to build your forever home in the heart of the city's most sought-after neighborhood of Westbrook. Nestled on a pie-shaped lot backing onto the Derrick golf course, this nearly 9,400 sqft property offers stunning east, south, and west exposure - bathing your future home in natural light and breathtaking views year-round. The existing, renovated home is bright and livable, making it ideal to move in or rent out while you design your dream home with the builder of your choice. With a generous lot width and depth, there's room to build a sprawling 3,800+ sqft bungalow or 2-storey masterpiece over 8,000 sqft - and with no architectural restrictions, the sky's the limit (literally, if you'd like to add a 3rd-floor loft!) This is a lifestyle location - minutes from the prestigious Derrick Club, highly ranked schools and quick access to UofA & downtown. Build now or later - either way, opportunities like this don't come often in Westbrook Estates.
