3 Bedroom, 1.50 Bathroom, 1,130 sqft
Single Family on 0.00 Acres

Kensington, Edmonton, AB

This well-maintained bungalow includes three spacious bedrooms and a four-piece bathroom on the main floor. The home boasts a large, open living room that flows seamlessly into the dining room and kitchen, providing plenty of cupboard space. It comes equipped with a built-in stove, oven, rangehood, microwave, side-by-side fridge/freezer, and dishwasher. The basement is fully finished and features a laundry area complete with a washer, dryer, and soaker sink. It includes a large clothing closet, storage cupboards, and a cold storage space. There is also a partially finished two-piece bathroom. It also offers two good-sized rooms with doors that can be used for hobbies or additional storage, as well as one extra-large room perfect for entertaining, complete with a decorative fireplace. This property offers a single-car garage and a large, fenced backyard with a patio. It's conveniently located near shopping, schools, public transit, and recreational facilities, with new windows and roofing shingles.

Built in 1961
